

05 December 2024

Dear Valued Stakeholder,

Update on Registration Application Cycle 2 of 2024

We wish to provide an update regarding the second registration application cycle for 2024, which opened on **15 June 2024**. The application submission deadline was extended to **05 September 2024 (Midnight)**, with applications exclusively submitted through the ECOSA online portal from **15 August 2024**.

Key Points to Note:

1. Applications Submitted Before 15 August 2024

These have been vetted and moved to either the **EA (Document assessment)** or **PR (Peer Review Interview)** phases, depending on the submission date and document completeness.

2. Applications Submitted During the Extension Period (15 August – 5 September 2024)

These are currently in the **vetting phase**. They will progress to the **EA phase** from **15 January 2025** as noted during the extension communication.

3. Incomplete Applications

- Applicants notified of incomplete submissions during this cycle were required to provide outstanding documents within **10 days** of ECOSA's email.
- Applicants who did not comply with deadline provided are required to resubmit via the professional portal when it reopens on **22 January 2025**.

4. Future Applications

- From **2025 onwards**, all applications must be submitted through the professional applications portal.
- **Emailed applications** will no longer be accepted. However, referee reports for the **first application window** may still be sent to **engineer@ecsa.co.za**.

For any inquiries, please contact us via email at engineer@ecsa.co.za or call us on (+27) 011 607 9500.
