**TO ALL FAEO NATIONAL MEMBERS**

**Dear National Member,**

**REQUEST FOR NOMINATION FOR FAEO 2024 AWARDS**

We wish to kindly remind you of the ongoing call for nominations for the 2024 edition of the FAEO Awards. As Africa's highest international body for engineers, FAEO is poised to promote the highest ethical, professional, and committed approach to engineering practice, professional development, technology, research, and leadership.

In recognition of the labour and commitment of some African leaders and Engineers in the development and stability of the Organisation, FAEO instituted different categories of Awards in 2019. The 2023 edition of the Awards was held last year on 30<sup>th</sup> September 2023, during the 9<sup>th</sup> edition of Africa Engineering Week which was held in Pretoria, South Africa.

However, FAEO haven recognized the outstanding performance of Engineers in spite of the environment of engagement, towards the development of the Continent, reviewed the Awards to recognize the following categories:

- a. FAEO Award for outstanding African Engineering Excellence
- b. Young Professional Excellence Award for Innovation
- c. Young Professional Excellence Award for leadership
- d. Engineering Research Award for the Industry and Academia
- e. Excellence Award for Women in Engineering Leadership
- f. Women Engineers Excellence in Practice Award
- g. Corporate Awards for Engineering Industry Sectors (Platinum, Gold & Silver)

**To this end, we kindly request that you nominate qualified candidates in the above categories for this year's edition of the Awards. Please, refer to the link below for your nomination and criteria for each category of the Awards nomination. All nominations are to be accessed only at <https://forms.gle/4euP4WxmgZ5ZtUgk7>**

This year's awards will take place during the 10<sup>th</sup> edition of Africa Engineering Week and the 8<sup>th</sup> Africa Engineering Conference to be held from 9<sup>th</sup> to 13<sup>th</sup> September, 2024 in Luanda, Angola.

Please find attached to this mail the Awards advert for circulation.

FAEO appreciates your continuous support to engineering growth in the Continent and globally, and looks forward to working with you for the success of this year's awards.

Please accept the assurances of our high esteem.
