

03 March 2025

Dear Valued Stakeholder,

### **Current status of applications submitted in 2024 (Cycle 2 and Cycle 2 extension)**

The Engineering Council of South Africa (ECSA) extends its gratitude to all applicants for their submissions in the 2024 Registration Application Cycle 2 of the Registration Calendar.

The extension of Cycle 2 resulted in an additional 706 applications, exceeding our initial expectations. While this led to unforeseen delays, we want to assure you that significant progress has been made in processing applications.

#### **Application Status Update:**

- Applications submitted before 15 August 2024 – Currently at the Peer Review (PR) stage, with final outcomes expected by **31 March 2025**.
- Applications submitted during the extension (15 August – 5 September 2024) – Currently at the Experience Appraisal (EA) stage, with final outcomes expected by **30 April 2025**.

#### **Upcoming Improvements in 2025**

To enhance efficiency and reduce processing times, ECSA is implementing key improvements:

1. Streamlined registration processes aligned with the new 2025 policy to improve turnaround times.
2. Enhanced communication channels, including a dedicated email for registration queries for faster response times.
3. A new online Customer Relationship Management (CRM) system, set to launch for Cycle 2 of 2025, designed to enhance the application experience.

#### **Checking Your Application Status**

**Email:** registration@ecsa.co.za

**Call:** (+27) 0 11 607 9500

When making an inquiry, please include your **full name and application/profile number** for assistance.
