#### **CategoryA**

Associations whose membership consists of natural persons who, subject to the applicable provisions of Rule 4, are –

- practising in any particular discipline or sub-discipline of engineering; or
- practising in any particular category of registration contemplated in section 18 of the Act.

#### **CategoryB**

Associations whose membership consists of natural persons who, subject to the applicable provisions of rule 5, are –

- practising in engineering or in any of the professions in the built environment contemplated in section 1(iv) of the Council for the Built Environment Act, 2000; or
- practising in engineering or in any of the scientific professions contemplated in Section A and B of Schedule I of the Natural Scientific Professions Act, 1993 (Act No. 106 of 1993).

#### **CategoryC**

Associations whose membership consists of juristic persons, including sole proprietors, who, subject to the applicable provisions of rule 6, are engaged in carrying out work of an engineering nature.
