

ECSA Associations: Recognised Voluntary Associations

These Voluntary Associations applied for recognition in terms of section 36(1) of the Engineering Profession Act, 2000 (Act 46 of 2000) and were recognised by the Council in terms of Section 25(3) of the above Act.

One of the benefits of recognition is that registered members of a Recognised Voluntary Association (Categories A and B only) enjoy partial exemption from payment of their ECSA annual fees. Expiry date for these Voluntary Associations below is five (5) years from the date of recognition. They are listed in alphabetical order according to their acronyms, for ease of reference.
